

NEWS MEDIA REGISTRATION

Elaine Salter

ACEP 2020 Media Registration

EMAIL: esalter@acep.org

October 26–29, 2020

Due to the virtual format of ACEP20, there is no registration deadline. However, please allow at least one business day for registrations to be confirmed.

Leaders across emergency medicine will convene virtually this year for ACEP20, the world's largest emergency medical conference. Physicians, health care professionals, researchers, policy experts and others will come together from October 26-29, 2020 for unrivaled opportunities to learn, network and see firsthand the technology and tools that will shape the specialty for years to come.

To register as a member of the media, you must have valid press credentials or identification from a valid news organization.

News organizations sending more than one representative must complete a separate media registration form for each person.

Members of the media are invited to attend all general registrant sessions and education courses during ACEP20 as well as visit the Research Forum and the virtual exhibit hall.

ACEP members and ACEP20 Exhibitors are not eligible to register as media.

Access to ACEP Committee, Section and other leadership meetings is not permitted.
